Dear Community Partner,

Club West Sports Academy Inc is a community based 501 (c)(3) non-profit that provides high quality soccer opportunities for children ages 4-19. We have affiliated with Surf Soccer Nation Family to create Inland Surf to offer several programs and leagues for players to participate in. Our program is geared towards meeting the individual needs for each player in our community.

Our goal at Inland Surf is to provide the "Best of the Best" experiences and opportunities for our youth soccer players. We use the sport to teach our athletes the value of teamwork, leadership, sportsmanship, and general life skills, while cultivating a love for the game. In addition, our plan is to host training camps, tournaments, and other clubs activities to provide a rewarding experience for our youth players.

Inland Surf is guided by a volunteer Board of Directors, a coaching staff, and dedicated parent volunteers. Our primary revenue source comes from registration fees paid by our families, fundraising, and generous donations from individuals and business. We would like to invite you to be one our sponsors/donors to help our program with field rentals, maintenance, equipment, and club activities. At Inland Surf we seek to foster lasting partnerships with individuals and business that are within our community.

Please take a moment to reflect on the positive impact your generous tax-deductible donation will have on our boys and girls in our community.

Respectfully yours,
